TasteTable

> **Not medical or dietary advice.** Constraint checks are heuristics over public venue tags and menu keywords. Always confirm accessibility, texture and sodium needs with the venue and the person's care team. Sample personas are fictional; do not enter real health information.

Week of Nov 9, 2026

Nov 9, 2026 – Nov 15, 2026

Demo plan: fictional venues from a synthetic fixture.

Requested constraints: soft foods, low sodium, wheelchair access.

5 of 5 suggested picks scheduled. 2 open days.

Monday

Nov 9, 2026

Casa Habana Kitchen

restaurant · affinity 0.91

Qloo affinity 0.91 for audiences who like Celia Cruz, West Side Story (tag match: Cuban). Checks: Soft foods: pass (soft options listed: black bean soup, flan, made to order); Low sodium: pass (lower-sodium signals: made to order); Wheelchair: pass (tagged 'wheelchair accessible entrance').

`Qloo id: FIX-P-01`

Tuesday

Nov 10, 2026

Open day

No pick scheduled.

Wednesday

Nov 11, 2026

Abuela's Table

restaurant · affinity 0.83

Qloo affinity 0.83 for audiences who like Celia Cruz, West Side Story (tag match: Mexican). Checks: Soft foods: pass (soft options listed: caldo de pollo, refried beans); Low sodium: pass (lower-sodium signals: low sodium options); Wheelchair: pass (tagged 'wheelchair accessible entrance').

`Qloo id: FIX-P-03`

Thursday

Nov 12, 2026

Open day

No pick scheduled.

Friday

Nov 13, 2026

Blue Plate Diner

restaurant · widened search · affinity 0.26

Qloo affinity 0.26 for audiences who like Celia Cruz, West Side Story (tag match: Diner). Weak taste signal: chosen mainly because it passes the care constraints. Widened pick: outside the stated cuisines because too few matches passed constraints. Checks: Soft foods: pass (soft options listed: made to order, mashed potatoes, soups); Low sodium: pass (lower-sodium signals: made to order); Wheelchair: pass (tagged 'wheelchair accessible entrance').

`Qloo id: FIX-P-07`

Saturday

Nov 14, 2026

Arroyo Museum of Latin Music (fictional)

outing · affinity 0.96

Qloo affinity 0.96 for audiences who like Celia Cruz, West Side Story (tag match: Museum). Checks: Wheelchair: pass (tagged 'wheelchair accessible entrance').

`Qloo id: FIX-V-03`

Sunday

Nov 15, 2026

Trattoria Nonna Lucia

restaurant · widened search · affinity 0.26

Qloo affinity 0.26 for audiences who like Celia Cruz, West Side Story (tag match: Italian). Weak taste signal: chosen mainly because it passes the care constraints. Widened pick: outside the stated cuisines because too few matches passed constraints. Checks: Soft foods: pass (soft options listed: made to order, polenta, risotto); Low sodium: pass (lower-sodium signals: made to order); Wheelchair: pass (tagged 'wheelchair accessible entrance').

> Planning draft. Dates are your choices, not reservations or confirmed opening hours. Confirm the venue, accessibility and food needs with the venue and care team before going.

Prepare your venue calls

Use the questions below to ask about each scheduled visit. Record the venue's reply and the next step for another caregiver.

Demo plan: fictional venues and synthetic source data. Use this sheet to practise the workflow.

> These are caregiver-entered notes. A recorded reply is not a safety check, reservation or confirmation by TasteTable. Confirm needs with the venue and care team; do not enter names or private health information.

5 scheduled visits · 5 not contacted · 0 awaiting reply · 0 replies recorded · 0 need follow-up.

Casa Habana Kitchen
Monday 2026-11-09

`Suggested visit 1 · Qloo id: FIX-P-01`

Original plan explanation (heuristic): Qloo affinity 0.91 for audiences who like Celia Cruz, West Side Story (tag match: Cuban). Checks: Soft foods: pass (soft options listed: black bean soup, flan, made to order); Low sodium: pass (lower-sodium signals: made to order); Wheelchair: pass (tagged 'wheelchair accessible entrance').

Questions to ask

- Will you be open on 2026-11-09, and do we need to book?
- Which soft-food options could you prepare? Confirm the required texture with the care team.
- Can the kitchen prepare a lower-salt option, and how would it be prepared?
- Is there step-free access to the entrance, seating and facilities needed for this visit?
